The Italian Olive Oil & Specialty Food Center is the only Center in North America dedicated entirely to the development of the knowledge, cooking and culture of extra-virgin olive oil. The Italian Olive Oil & Specialty Food Center is endorsed by the International Olive Oil Council and by the Italian Embassy in Washington, DC. The Center is home of a selected assortment of "Italian Estate extra-virgin olive oils" representing the best olive oils produced in the different Italian regions. The Center is equipped with "The Oil Master", our miniature olive press.

THE ITALIAN OLIVE OIL CLUB

The Italian Olive Oil Club is for those people who wish to experience a variety of exclusive and exceptional Italian extra-virgin olive oils. Our experts carefully select each oil. Most of our selection is not available in the US market. Almost all olive oil producers we work with, are still making oil in the same way it used to be made thousand of years ago. Members have the obligation to purchase at least 6 different bottles of olive oil within a year period. Members that buy at least 12 bottles per year (one every month) will receive an additional 10% discount on the last 6 purchases. Shipping will be made on a monthly basis using UPS Ground; for this reason we cannot accept PO Boxes.
